

PotomacWave ASTRO Prime

ASTRO is a family of 10 Multiple Award Indefinite Delivery Indefinite Quantity (MA IDIQ) contracts that is sponsored by the DoD. It was competed, awarded, and is administered by the General Services Administration (GSA) Federal Acquisition Service (FAS), Assisted Acquisition Service (AAS), Federal Integration and Management Center (FEDSIM). With a 10-year ordering period, and no defined ceiling, ASTRO is anticipated to have a potential value in the multi-billions.

PotomacWave is a Maritime Pool Awardee

The Maritime Pool encompasses all components required to formulate a total solution to a requirement, including professional and/or non-professional labor, ancillary support services, and/or products to maintain, repair, overhaul, or otherwise support manned, unmanned, or optionally manned maritime platforms CONUS and/or OCONUS. **All ASTRO Domains are applicable to the Maritime Pool: Operations, Maintenance/Readiness, Development/Systems Integration, Support, and Research and Development.** Domains may be used to provide a total solution for any organizations' maritime requirements.

ASTRO Benefits to Buyers

- Provides **flexible acquisition solutions to formulate total solutions**, including any and/or all of the following: professional and/or non-professional labor, commercial and/or non-commercial items, and ancillary support services and/or products.
- **Reduces lead time and administrative efforts** currently experienced by Departments and Agencies to acquire solutions to complex requirements through **value-based acquisitions**.
- **Allows flexibility for all contract types** at the Task Order level, including fixed-price, cost-reimbursement, time and materials (T&M), and labor-hour (LH) contracts or a hybrid of contract types.
- Facilitates acquisitions **focused on value and quality execution** with no Master Contract price list. **All pricing is established at the Task Order level**, providing maximum flexibility.
- **Provides pre-competed, FAR-compliant contracts** with a broad base of best-in-class industry partners.

How to Access ASTRO

ASTRO is convenient to use and provides a simplified acquisition process. ASTRO is available for use by the GSA FAS AAS FEDSIM organization and any Contracting Officer (CO) granted a Delegation of Procurement Authority (DPA) specifically authorized by the Master Contract ASTRO CO. To get started, COs should request a DPA. For more information on how to get started, contact ASTRO@gsa.gov.
